COMPANY PROFILE

Dynamic Intertransport Co. Ltd., is a subsidiary of the largest agribusiness conglomerate in Asia, Charoen Pokphand Group Co. Ltd (C.P. Group) with over USD 14 billion in sales. Located in Bangkok, Thailand, we are a highly professional transport architect with comprehensive and worldwide services which enables us to fulfill our clients' ever growing and changing logistic needs.

At Dynamic Intertransport, we move more than 20,000 TEU's of sea cargo annually, half of which are reefer containers. Our air and sea freight divisions handle everything from perishables and general cargo to live animals and hazardous materials. Moreover, we are also a strategic partner of Thai Airways International, Thailand's national carrier. In addition to supervising C.P. Group's worldwide cargo movements and transport related services we provide professional, efficient, and dependable transport services to our clients. Leveraging our expertise, our strengths, our global agency network, and our large volume, we are able to command competitive rates for our clients.

Just as important, our relationship with our global agent network is unsurpassed. Our Bill of Lading has comprehensive insurance and we guarantee that our partner agents receive on time payments. Our agents can rest assured that each of our agent collect bills is remitted in a timely manner without having to send reminders. This is simply a matter of reputation Dynamic Intertransport has built over our impressive company history.

Membership and certifications include the International Federation of Freight Forwarders Association (FIATA) and the Thailand International Freight Forwarders Association (TIFFA). We are an officially licensed Multimodal Transport Operator (MTO) and Non-Vessel Operating Common Carrier (NVOCC).
